

# PROFHILO®

## MULTI-LEVEL BIOREMODELLING TREATMENT

### WORKSHOP EVENT

Getting excited with the science, experience,  
results and future of Profhilo®

#### PRESENTER DR ELLEN SELKON Cosmetic Medicine Physician

Originally from South Africa, Ellen immigrated to New Zealand in 1997.

She obtained her specialisation through the New Zealand Society of Cosmetic Medicine in 2009 and is a partner in Clinic42, one of Auckland's premier cosmetic medicine clinics. Ellen is on the executive board of the NZ Society of Cosmetic Medicine where she has served as Treasurer for the past 11 years and is a KOL for various pharmaceutical companies; she is the most experienced Profhilo cosmetic physician and KOL across Australia and NZ.

Ellen believes in staying up to date in this ever-changing field of cosmetic medicine and for this reason regularly attends and presents at conferences and workshops nationally and internationally. Her passion and expertise are in using a combination of cosmetic medicine treatments to enhance and rejuvenate the face.
