## DR SHOBHAN MANOHARAN

### DERMATOLOGIST AND LASER SPECIALIST

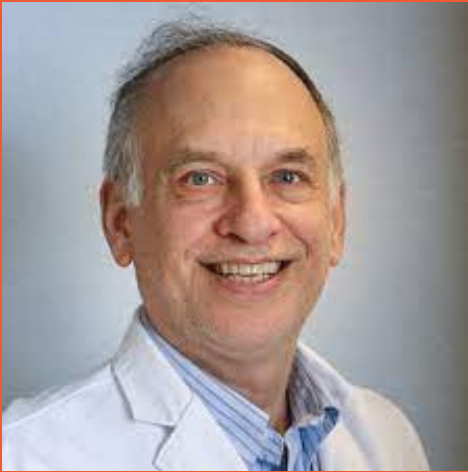

Dr. Manoharan is one of Australia's leading laser dermatologists. He specialises in the use of energy based devices for both medical and cosmetic dermatology. Based in Brisbane, Australia, he is the Medical Director of Dermatology Clinics Australia and training organisation [DermEd.com.au](http://DermEd.com.au).

He is the founder of Brisbane Skin, and was previously the Managing Director of Westside Dermatology and Sweat Free Clinics. He is also past Director of Training for the Australasian College of Dermatology (QLD) and consultant dermatologist for L'Oreal Paris. He has a special interest in combination treatments for complicated scars (acne, traumatic, surgical and burns), pigmentation, laser rejuvenation, and surgical & non-surgical skin cancer management. He is also an entrepreneur in the healthcare space, particularly in dermatology, pharmacy and telehealth.
